

# RIBBONS OF HOPE

1. The days of darkness, the nights of fear.  
The broken trust, the broken dreams.  
The stolen promise, the stolen lives.  
The hidden turmoil, the hidden wounds.

*O loving Lord, we long to weave  
Ribbons of hope, flutt'ring in the wind.*

*O loving Lord, we long to share  
Ribbons of trust, ribbons of peace,  
Ribbons of prayer, flutt'ring in the wind.*

2. The walls of silence, the doors of power.  
Unspoken truth, unchallenged lies.  
The blank rejection, the blunt denial.  
The deed unwitnessed, the voice unheard.

*O Loving Lord...*

3. We need your healing, we need your love  
To sooth the hurt, to ease the pain.  
We need your wisdom to find the words.  
We need your guidance to choose the way.

*O loving Lord...*
